کاشی شیشه‌ای

محصولات کاشی شیشه‌ای به گونه‌ای طراحی شده‌اند که همانند محصولات سرامیکی مورد استفاده قرار گیرند. محصولات کاشی شیشه‌ای در برابر مواد شیمیایی مقاوم هستند آب را جذب نمی‌کنند در شرایط محیطی تغییر رنگ نمی‌دهند و مقاومت بسیار بالا در برابر سایش سرد دارند. محصولات کاشی شیشه‌ای برای نصب در داخل و خارج ساختمان قابل استفاده هستند و برای غوطه ور شدن مداوم در آب و قرار گرفتن در معرض شرایط انجماد مناسب می‌باشند.
